Message from the *CEO*

Melbourne Royal is proud to present and congratulate the medal and trophy winners of the 2024 Australian International Beer Awards.

Established in 1993, these awards acknowledge and celebrate the finest brewers from around the globe, with 36 trophies awarded to the champions of each category, including the highly coveted titles of Champion Australian Beer and Champion International Beer.

The Melbourne Royal Australian International Beer Awards remain as the largest annual beer competition worldwide, encompassing both draught and packaged beer. This year, we welcomed 2,524 entries from 23 countries, with support from a record breaking 412 breweries (255 Australian breweries and 157 international brewers).

I extend my sincere appreciation to the highly regarded Industry Advisory Group, comprised of Tina Panoutsos, Justin Fox, Jayne Lewis, Warren Pawsey, Craig Bowen, and Billy Ryan. Their incredible support, counsel, and dedication remain instrumental in the success of the Awards. We truly value the input from our industry partners and Advisory Group, as they uphold the integrity of the Awards, ultimately enhancing the beer-drinking experience for consumers.

My gratitude extends to all the judges who journeyed from various parts of Australia and the world to participate in the meticulous four-day judging process which requires passion, concentration and precision. A special thank you also goes to the 70-strong steward team, led by Chief Steward, Craig Bowen who generously volunteered their time, along with event and operational staff to pull together such a magnificent production for beer's night of nights.

Heartfelt congratulations are in order for all the winners of medals and trophies this year. We trust that your success at the esteemed 2024 Australian International Beer Awards will help bring immense value and commercial success throughout the year and beyond.

These awards would not be possible without the generous support from our Australian International Beer Awards partners. We extend our deepest appreciation to our presenting partners, Barrett Burston Malting and Cryer Malt, as well as our major partners, Hop Products Australia (HPA), Boortmalt Asia Pacific, and KONVOY.

Furthermore, we express gratitude to our trophy sponsors, Indie Hops, BevChain, Scan Global Logistics, Weyermann Specialty Malts, Joe White Maltings, Yakima Chief Hops, Novonesis, Thirsty Merchants, Brews News, and The Crafty Pint; along with our Government Partners Vic Grown and Agriculture Victoria; and sponsors Kegstar and Lallemand Brewing.

Once again, we are immensely grateful for the extraordinary support received from the beer industry, and I extend my best wishes for a year filled with brewing excellence and resounding success for the industry.

Message from the *Head Judges*

As the curtains close on another exciting edition of the Australian International Beer Awards, it is with great pleasure and pride that we reflect on the outstanding quality and diversity showcased in this year's competition. With a staggering 2524 entries pouring in from 412 breweries, this year has undoubtedly set a new benchmark for global beer excellence.

Our esteemed panel of over 80 judges, comprising some of the richest brewing knowledge and discerning palates from around the world, meticulously evaluated each entry to uphold the standards of excellence that define this prestigious event. We were again honoured to welcome 15 international judges hailing from New Zealand, China, Japan, India, the United States, France, Spain and Germany. Their invaluable perspectives enriched the judging process and underscored the global significance of this competition. Reflecting on our humble beginnings in 1993, when a mere 35 entries were judged, we stand in awe of the immense growth and evolution of the beer industry over the past three decades.

The increase in participation both from exhibitors and judges emphasises the profound impact and relevance of the Australian International Beer Awards on the local and global brewing community.

The calibre of the assembled judging panel was again first class, with representation from all corners of our industry. Each judge brings unique skills, industry perspective, sensory strengths, and a positive willingness to both impart and improve their own knowledge. This year we introduced a judge rotation programme whereby judges that had participated in the competition for several years were sat out for this year to allow emerging

judges the opportunity to build on their judging experience. This in turn continues to strengthen the standard of our judging cohort. We also continued to rotate Table Captains throughout the three days, ensuring they had the opportunity to mentor, coach and support other judges.

Throughout the judging process, it was evident that brewers worldwide are embracing creativity and craftsmanship with unparalleled fervour. From classic styles to bold experiments, we were abundant with entries that exemplified the dedication, skill and passion of their creators. As a result, selecting the trophy winners proved to be a truly rewarding task, as excellence was clearly evident across the tables in each category.

The meticulous evaluation process, employing double-blind identifiers for anonymity, ensured fairness and impartiality in the assessment and evaluation of exhibits. Beers were scrutinised by panels of four to five judges, which included a Table Captain and Associate Judge. Each entry was scored on appearance, aroma, taste and flavour, specific style and technical criteria, culminating in awarding 248 gold medals, 639 silver, and 896 bronze medals.

A gold medal signifies a beer of exceptional quality, boasting accurate representation of style, faultlessness, remarkable balance, and undeniable drinkability. These are the brews that captivate and delight, impossible to resist. Silver medals honour outstanding beers that, while missing a certain distinction, still exhibit remarkable craftsmanship. They are a testament to the skill and dedication of their brewers. Bronze medals recognize beers with a solid foundation but also offer opportunities for improvement,

challenging brewers to refine their craft in pursuit of perfection. For those who didn't medal, this outcome serves as a stepping stone in the journey towards brewing excellence, emblematic of the industry's continuous pursuit of perfection.

To win a prestigious Australian International Beer Awards trophy, a beer must first attain a gold medal, progressing to a rigorous evaluation by the trophy panel. The trophy recipients represent the pinnacle of brewing excellence, embodying flawless execution, exceptional balance, and undeniable drinkability.

As we celebrate the culmination of yet another remarkable year for beer, we extend our heartfelt congratulations to all exhibitors, whose unwavering commitment to quality and innovation continues to elevate the art of brewing on a global scale.

It is the collective effort of an ever-growing group of volunteer judges and stewards that has been instrumental in making the 2024 awards a resounding success. On behalf of all judges, we extend our gratitude to the 70 volunteer stewards, steered by Ellen Kittson, whose exceptional conduct ensured the smooth running of the competition. To our fellow Advisory Group members, Warren Pawsey, Jayne Lewis and Jon Seltin: thank you for providing your time, knowledge and enthusiasm to our collective stewardship of the awards.

Immense thanks to Chief Steward Craig Bowen, Competition Manager Oskar Long and Competition Coordinator Lily Cumper for their invaluable efforts, dedication, professionalism and contributions to this competition and the beer industry. Special thanks also to the wider Melbourne Royal team including CEO Brad Jenkins, Executive General Manager of Agriculture Darren Keating.

Together, we raise our glasses to the boundless creativity, camaraderie, and spirit of discovery that defines the Australian International Beer Awards. Cheers to another year of brewing brilliance!

Cold Pelleted

TOOLS FOR YOUR HOP PLAYBOOK:

CRYO HOPS®

A FULLY PATENTED PROCESS PROVIDING THE HIGHEST QUALITY AND MOST EFFICIENT CONCENTRATED LUPULIN PELLET

Exclusive to Yakima Chief Hops, Cryo Hops® Brand pellets are a concentrated lupulin pellet produced using a patented cryogenic process that gently separates the components of a hop cone. The unique Cryo Hops® process creates the most ideal environment for limiting oxidation, preserving hop oils and resins and delivering the highest quality product with the greatest alpha concentration. Cryo Hops® Brand pellets provide intense hop flavor and aroma, enabling brewers to efficiently dose large quantities of alpha acids and oils with less volume and greater beer yields.
